The Shareholders
 Wesizwe Platinum Limited

Dear Shareholder

On behalf of the Board of Directors, and as the incoming Chairman of Wesizwe Platinum Limited (Wesizwe or the Company), I would like to update you on certain activities within Wesizwe and address some of the key issues facing the Company as we move forward into 2010.

On 17 December 2009, an extraordinary meeting of Wesizwe shareholders was held and the majority of shareholders voted in favour of a reconstituted Board of Directors and mandated the Board to take the Company forward. The new Board met for the first time on 11 January 2010 to address the issues facing the Company and at this meeting, the following decisions were made:

1. Certain allegations have been made against the Company and the Board has decided that a thorough investigation be conducted by Deloitte and Deney's Reitz as an expansion of a review initiated by the previous Board. Deloitte and Deney's Reitz have been asked to continue and finalise the review in order to allay fears that these issues are being swept under the carpet.
2. The Board reappointed Michael Solomon as the Chief Executive Officer (CEO) after both he and Robert Rainey were re-elected as directors by shareholders at the general meeting held in December 2009. Various allegations that have been made against these two directors about past corporate governance misdemeanours, and which continue to be made against them, are as yet unsubstantiated. The current Board dissociates itself from these allegations. The extended review referred to above will investigate these allegations and will provide the affected directors an opportunity to respond to any allegations made. The Board will then act on the results of this completed review.
3. In line with King 3, the Board has reconstituted the Board committees, which now have a majority of non-executive and independent directors. These committees include:

Audit and Risk Committee

Goleele Mosinyi *Chairman*
 Julian Williams
 Rob Rainey
 Dawn Mokhobo
Community member to be appointed

Remuneration and Nomination Committee

Mlibo Mgudlwa *Chairman*
 Dawn Mokhobo
 Kgomo'tso Moroka
 Peter Gaylard
 Rob Rainey
Community member to be appointed

Finance and Investment Committee

Julian Williams *Chairman*
 Goleele Mosinyi
 Kgomo'tso Moroka
 Mike Eksteen
 Michael Solomon
Community member to be appointed

Technical Committee

Prof Peter Gaylard *Chairman*
 Mlibo Mgudlwa
 Mike Eksteen
 Michael Solomon
Community member to be appointed

4. In addition to this, the Board has established the *Chairman's Oversight Committee*, which comprises the Chairman of the Board and the respective chairs of the four Board committees. The Chairman's Oversight Committee will provide for a more hands-on approach by the Board in the running of the Company's business. It will also streamline the decision making and consultative processes. The Chairman's Oversight Committee includes:

Dawn Mokhobo, *Chairman*
 Goleele Mosinyi, *Chairman of the Audit and Risk Committee*
 Prof Peter Gaylard, *Chairman of the Technical Committee*
 Mlibo Mgudlwa, *Chairman of the Remuneration and Nomination Committee*
 Julian Williams, *Chairman of the Finance and Investment Committee*
5. Because of confusion that has arisen in relation to the proper representation of the Bakubung Ba Ratheo Community's (the Community) shareholding in the Company, the Board has set up a special Committee headed by the Chairman to investigate all aspects related to the Community's shareholding, in particular the Newshelf 925 (Pty) Ltd structure and issues pertaining to representation of the Community on the Board of the Company and its Committees.
6. The Board also elected not to renew certain executive contracts that are about to expire and for that reason will soon appoint a new Financial Director.
7. The Company is currently under cautionary with respect to potential transactions and the Board has mandated the CEO to pursue those opportunities. He has been working closely with the Chairman of the Company, as well as the Chairmen of the Finance and Investment Committee and Technical Committee, to progress negotiations and to thoroughly assess the potential value of these proposed transactions for shareholders.

A schedule of Curricula Vitae of the new Board of Wesizwe is appended to give you confidence that this is indeed a credible Board that has members with significant and appropriate experience.

In the interim, the restructuring of the Company will be driven by the outcome of the current negotiations.
